### **Race Bibs & Timing**

All runners will be chip timed by our friends at  
J&A Racing .

The timing chip is on the back of the bib and this is where it stays. DO NOT try to put this on your shoe.

Pin your bib on the **front of the shirt** you will be wearing when you are crossing the start/finish line. **PLEASE USE ALL 4 PINS**

### **Costume Contest**

Compete by yourself, as a pair or as a group! Located in the beer garden area, you will get photographed and can quickly explain your costume to our panel of judges. You must run the full race in your costume!

**Judging time: 8:15am-9:00am**

### **Starting Corrals**

Everyone will start in either Corral 1, 2 or 3. When you go to the start line, find your corral that you requested that is marked with a number and orange cone. Stand behind that cone until we release you to battle! *The awards will be based on chip time! It doesn't matter where you start. So yes, a person starting last can actually win!*

**Corrals will be released every 3-5 minutes.**

### **Changing Area / Dry Bag Storage**

We are opening the restrooms for race day. We will also offer a dry bag storage area. Pin your gear check bib number on your small bag and we will watch it for you during the race. Space on the shuttle buses is limited so please pack lightly...no suitcases please.

### **Post Race Party**

After battling the mud, relax in the Coyner Springs Park shelter next to the cozy fire or outside by the bonfire.

There will be bananas, oranges and water available at the end of the race.

Blue Moon Beer (nothing but the best for our runners )

To all participants 21 and older, your registration fee includes 2 beers. Please have your Race Bib on hand.

**YOU MUST BRING YOUR ID-NO EXCEPTIONS**

***Make sure you have it with you on the shuttle bus***

Our staff will be checking IDs and wristbands to those eligible for alcohol.

All alcohol must be consumed in the specified beer garden area.

*Guests can also purchase beer for \$3.00*
