In 2008 Mario Woodard started Michael's Ride, a Century and Metric Century Cycling Event to honor the life and legacy of his son Michael Woodard (class of 2007). The goal of Michael's Ride was to not only honor the life of this young man but to raise money for other students wishing to attend Fishburne Military Academy as Michael did.

This year several Fishburne staff and alumni will be riding with us!

We are excited that a portion of the proceed from this year's race will be donated to the Michael Woodard Memorial Scholarship Fund at Fishburne Military Academy in Waynesboro. This is a need based scholarship that is awarded at graduation each year.
